

A photograph of a narrow, paved street in a traditional Korean neighborhood. The street is lined with traditional wooden houses (Hanok) with dark green, curved roofs. In the background, modern skyscrapers rise against a clear sky, creating a striking contrast between traditional and modern architecture.

Boston Travel

BECAUSE MONEY RETURNS, TIME DOESN'T.

AGENDA

- The purpose of the project is to create a website to facilitate user to explore Boston city better and help the user travel comfortably by providing the reliable services in affordable packages under one roof.
- The website created is user friendly and helps the traveler to access website regardless of screen dimensions.
